The petition is **GRANTED**.<sup>2</sup>

The record demonstrates that:

- while Petitioner states that he does not have a copy of the Express Mail label,
- the Office Express Mail database does evidence that the official United States Postal Service (USPS) Express Mail deposit date for the USPS Express Mail tracking number EL639693967US was deposited with the USPS on 30 August, 2001, and delivered to the Office on 31 August, 2001, and,

<sup>1</sup> The regulations at 37 C.F.R. §1.10 provide in pertinent part:

(c) Any person filing correspondence under this section that was received by the Office and delivered by the "Express Mail Post Office to Addressee" service of the USPS, who can show that there is a discrepancy between the filing date accorded by the Office to the correspondence and the date of deposit as shown by the "date-in" on the "Express Mail" mailing label or other official USPS notation, may petition the Commissioner to accord the correspondence a filing date as of the "date-in" on the "Express Mail" mailing label or other official USPS notation, provided that:

(1) The petition is filed promptly after the person becomes aware that the Office has accorded, or will accord, a filing date other than the USPS deposit date;

(2) The number of the "Express Mail" mailing label was placed on the paper(s) or fee(s) that constitute the correspondence prior to the original mailing by "Express Mail;" and

(3) The petition includes a true copy of the "Express Mail" mailing label showing the "date-in," and of any other official notation by the USPS relied upon to show the date of deposit.
